RESPONSE

In response to the Notice Under 37 CFR 1.251-Pending Application mailed September 18, 2002, attached hereto is a copy of the undersigned's record of all of the correspondence between the Office and applicants in the above-identified application except for U.S. patent document.

The copy submitted with this reply is a complete and accurate of applicants' record of all of the correspondence between the Office and the applicants for the above identified application (except for U.S. patent documents) and applicants are not aware of any correspondence between the Office and the applicants for the above-identified application that is not among applicants' records.

The Notice included a print out from PALM of the contents of the file of the above-identified application. Please note that there are **significant differences** between the PALM report and the undersigned's file. In particular,

(1) PALM shows IDS on January 2, 2002 while the undersigned's file shows this was mailed to the PTO on November 30, 2001, although the date discrepancy may be the result of postal irregularities due to 9/11;

(2) PALM information shows a response to the March 11, 2002 Office Action being received on April 15, 2002 whereas the undersigned's return receipt postcard indicates a receipt date of April 11, 2002;

(3) The notice of publication mailed March 7, 2002 is not reflected on PALM;

(4) the status inquiry and change of correspondence address filed on August 17, 2002 are not reflected in the PALM printout; and

(5) the PALM printout shows a correspondence address change on August 30, 2001 while the undersigned's records do not reflect any such submission.

Respectfully submitted,

By
